The University Coat of Arms

In June 1994, His Excellency the Right Honourable Ramon John Hnatyshyn, Governor General of Canada, presented the University of Alberta with its Coat of Arms. The full Coat of Arms is displayed at ceremonial occasions such as Convocation, and is used by the Chancellor, the titular head of the University.

On the shield is a representation of the topography of Alberta rendered in the colors of the University. At the base is a prairie wheat field symbolizing Alberta's agricultural industry. The wavy gold line above suggests the hills and rivers of Alberta and, in particular, the setting of the University campus. The top of the shield is in gold and separated from the rest of the shield by a line suggesting the Rocky Mountains. The book of learning dominates the design.

On the crest is a Grand-Duc d'Amérique, or Great Horned Owl, the provincial bird and an accepted symbol of knowledge. The Pronghorn, taken from the Provincial Coat of Arms, and the golden bear, mascot of the University support the shield. Both wear collars of the University colors, as does the owl. At the base of the coat of arms is a grassy mound with wild roses, the floral emblem of Alberta with the University's motto: *Quaecumque vera* (“Whatsoever things are true”).

Please Note: The Jubilee Auditorium is a “smoke-free” facility.

The list of candidates for degrees, diplomas, and certificates appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information presented is current as of the program printing deadline.

The assistance of the Music Performance Trust Fund and the Edmonton Musicians' Association is gratefully acknowledged.

Photographs may be taken during the ceremony, but we ask that photographers do not approach the stage area and ensure that aisles and stairways are kept clear.

Greetings to the Graduates

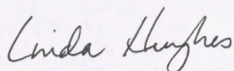

The pomp and ceremony of convocation reflects a long tradition of celebrating achievement at university. Each of you devoted years of study and hard work to accomplish your goals and today your proud families, friends and teachers all recognize and salute your success.

Over one hundred years ago, our founders promised that the university would not be isolated from the world but would share its knowledge and learning with the community to serve the public good. Today you join more than 275,000 University of Alberta alumni worldwide who are fulfilling that promise of building a better world through education.

Learning to live in peace and prosperity will require leaders and citizens with vision, commitment and drive. We hope the knowledge and skills you have acquired during your university years will help you become those good citizens of the world and achieve your dreams.

Congratulations. Enjoy your success and your day of celebration.

Linda Hughes, BA, LLD (Hon)
Chancellor

Congratulations to the University of Alberta's class of 2011! Today you become a proud graduate of the University of Alberta, one of more than 275,000 alumni worldwide. Enjoy today's celebration of your accomplishments and the successful outcome of years of study, intellectual growth and personal discovery.

Wherever the next step of your journey may take you, your connection to your alma mater will endure. Throughout your life, remember and be guided by the values we hold dear at this institution. When our first president, Henry Marshall Tory, founded this university, he upheld two ideals: first, that the modern university should be for the "uplifting of the whole people," and second, that we should pursue whatsoever things are true: quaecumque vera. With these two ideals as your beacon, I urge you to follow the lead of thousands of U of A alumni, and with truth and integrity, use your gifts to uplift, build and serve society.

Indira Samarasekera, O.C.
President and Vice-Chancellor

On behalf of the Government of Alberta, I am pleased to congratulate the University of Alberta's graduating class of 2011.

Graduation is a tremendous achievement in your life. It is a time to celebrate with friends and family, a time to reflect, and a time to envision the future you see for yourself.

As a graduate of the University of Alberta, I know that the skills and knowledge you have gained will serve you well in whatever future you choose. Whether that future involves starting a career, joining the ranks of Alberta's entrepreneurs, or pursuing further education or professional development, your time at the U of A will prove invaluable as you navigate your chosen path.

Whatever you see for yourself, I hope that you see it happening right here in Alberta. Educated, skilled, and innovative people are a big part of what I envision for Alberta's future.

You have built a foundation at one of Alberta's most distinguished institutions for learning and research. This, partnered with the passion you have for your chosen field, will lead you on an exciting journey. Whether you are driven by technology, the arts, business or science, your contributions will be meaningful.

While your formal education may be ending, I encourage you to keep exploring, achieving, and creating.

Best wishes to you in all of your future endeavours.

Honourable Greg Weadick
Minister of Advanced Education and Technology

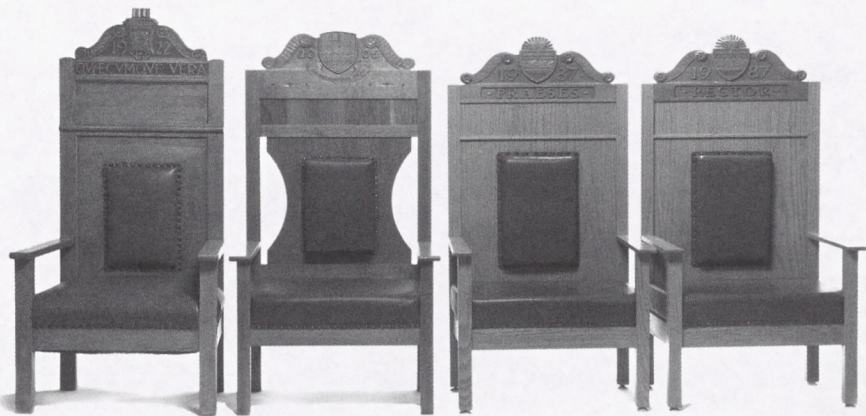

Our Traditions

The University Ceremonial Chairs

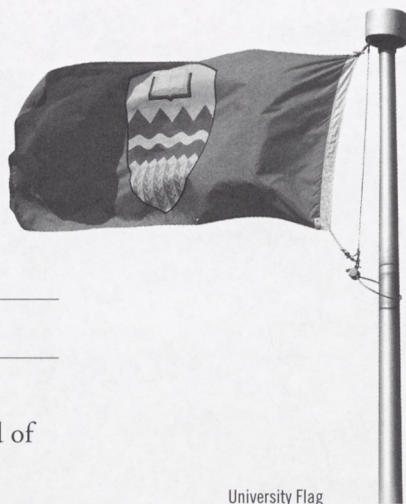

The Chancellor's Chair was presented to the University of Alberta as a gift from the 1922 graduating class. It is made of solid oak with a padded leather back and seat. Above the padded-leather back is carved the University motto *Quaecumque Vera* together with the class year, 1922, and the University emblem.

In 1987, the family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors from 1950 to 1966, presented a memorial gift to the University of two additional chairs for use by the President and the Chair of the Board of Governors at Convocation.

In 2006, a fourth chair was donated in memory and honor of Lois Elsa Hole, beloved Chancellor (1998 – 2000) and Lieutenant Governor (2000 – 2005), by Earl Evaniew, Sandra Kereliuk and their daughter Jennifer. This chair becomes part of the seating arrangements on stage, when the Lieutenant Governor or other high profile dignitaries attend the convocation ceremonies.

University Ceremonial Chairs

The University Flag

The University Flag has a gold background and bears the shield of the Coat of Arms.

University Flag

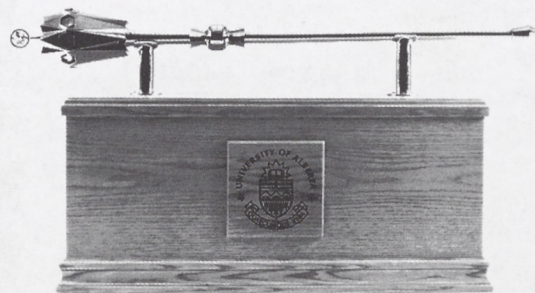

The University Mace

The University of Alberta Mace was designed and crafted specifically for the University as a gift from Dr. Francis Phillip Galbraith, Chancellor of the University of Alberta from 1964 – 1970. It was presented by his son, Michael Galbraith, on behalf of his father on 26 May 1970.

Among its elements are: the Star of Saint Thomas Aquinas, the Patron Saint of Scholars; the Wild Rose of Alberta; the Maple Leaf; and the separate charges which make up the University's Emblem. The University motto encircles the staff.

The ceremonial stand for the Mace was donated in 1987 as a memorial gift by family and friends of Dr. Charles Malcolm Macleod, Chair of the Board of Governors 1950 – 1966.

The Mace is carried before the Chancellor, or Vice-Chancellor, in procession and rests on its stand in full view of the assembly during Convocation. Centuries ago the Mace was a symbol of authority over life and death. Today it represents power—but the power of knowledge and the importance of the University in the community.

The University of Alberta Cheer Song

*Ring out a cheer for our Alberta
A song of praise to Varsity.
For the splendour of our mountains
Our prairies green and gold.
Ranked beneath whose glowing colours,
Thy legions march enrolled.
Our memories will live forever
Beloved University.
We will fight for thee and cheer
And ever hold thine honour dear.
Our Alma Mater U of A
Green and gold! Quaecumque vera!
Guide us through each coming era,
Guide us on through battle gory
To a new and greater glory.*

Convocation

Today's ceremony stems from the medieval tradition. The procession of the guild of teachers, whose solemn assembly, or convocation, is the modern equivalent of the medieval magna congregatio of all Faculties. It is led by the Chancellor and the Chief Marshal carrying the mace, the symbol of the University's corporate authority. The academic gowns, hoods and caps declare, in their various designs and colors, the academic qualifications of the Faculty. The citations and presentations by the Faculty to the Chancellor attest to her and to society the degree of proficiency attained by the students of the University. There follows a visible and public act whereby the universitas magistrorum, acting through its Chancellor, confers upon the students the appropriate degree. It is the act, not a certificate, which constitutes the validity of the degree bestowed. The words "I admit you" and

the placing of the students' hands within the hands of the Chancellor and her associates, bind the students in the appropriate degree to the universitas magistrorum. The students thereafter bear for all time the mark of their association with this University. They have received what the University has been and presently is. Because they bear in themselves the promise of the future, they are what the University hopes to be. Despite its solemnity, convocation is a joyous occasion.

Academic dress at the University of Alberta generally follows the tradition of Cambridge University in the design of the gown, and that of Oxford University in the design of the hood. See Academic Dress on page 80 for a detailed description of ceremonial colors.

Conferring of Degrees

The Presentation

The Senior Dean presents the candidates for degrees with these words:

"Eminent Chancellor and President, on behalf of the Faculties, I present to you these scholars and ask that they be pledged and admitted to the degrees to which they are entitled."

The Pledge

The President then addresses the candidates in these words:

"Do you promise faithfully to observe and loyally to maintain the statutes, customs, privileges, and liberties of this, your University? Do you solemnly promise to conduct yourself in all things loyally and faithfully to the honour of your University, the encouragement of learning, and the good of your country?"

Each candidate replies:

"These things I pledge myself to do."

The Admission

The Chancellor then addresses the candidates in these words:

"By virtue of the authority vested in me by the Legislature of this Province and with the consent of this University, I admit you to the degrees to which you are entitled, and invest you with all the powers, rights, and privileges pertaining to such degrees. I charge you to use them for the uplifting of the whole people; to inspire the human spirit; for all who believe, to serve your God; and to pursue more steadfastly whatsoever things are true."

The graduates remain in their places.

Honorary Degree Recipient

CONGRATULATIONS

Craig Kielburger

Craig Kielburger is a leading Canadian children's rights activist who founded Free The Children, the world's leading youth-driven charity.

Free the Children provides active citizenship education programs in Canada, the United States and the United Kingdom, reaching 3,500 school groups annually. The organization's We Schools in Action program includes tens of thousands of young leaders who provide more than one million hours of community service every year.

The organization has worked in 45 countries providing education, health care, clean water and alternative income programs. Its Adopt a Village development model currently provides holistic, scalable and sustainable child-focused intervention in seven nations. Free The Children has built in excess of 650 schools and school rooms in developing countries and established more than 30,000 alternative income projects.

Most remarkably, Mr. Kielburger originally started the organization in 1995 at only 12 years of age.

He is also the co-founder of Me to We, a social enterprise designed to help support the work of Free The Children. Offering socially responsible products and services including international volunteer trips and leadership training programs, Me to We annually donates half of its profits to Free The Children and re-invests the other half to grow the enterprise and ensure its sustainability.

Mr. Kielburger is a syndicated columnist and New York Times bestselling author who has written five books. His latest is called *The World Needs Your Kid: Raising Children Who Care and Contribute*. His work has been featured on The Oprah Winfrey Show, CNN, 60 Minutes and The Today Show; and in People, Time and The Economist.

Mr. Kielburger has a degree in peace and conflict studies from the University of Toronto and is the youngest-ever graduate of the Kellogg-Schulich Executive MBA program. He has received the Roosevelt Freedom Medal and the World Children's Prize for the Rights of the Child.

One of the youngest recipients of the Order of Canada, Craig Kielburger is an inspiring example of how one individual can contribute to positive social change on a global basis.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Craig Kielburger:

*Cumberland Clark. **Charles Dickens and the Yorkshire Schools.** London: Chiswick Press, 1918.*

Charles Dickens frequently included child characters in his fiction and because he was all too familiar with the horrors of child labour, he had hoped that his writing would help to improve the lives of children. This important book includes Dickens' letter in facsimile that tells of his trip to Yorkshire, where he bears witness to dreadful conditions for the students. This copy features the bookplates of renowned Dickensian collectors George Barr McCutcheon and William Glyde Wilkins and is housed in a custom chemise and red quarter morocco slipcase.

Honorary Degree Recipient

CONGRATULATIONS

Ron Triffo

Ron Triffo was instrumental in transforming Stantec Inc. from a private regional civil engineering firm to one of North America's largest public multi-disciplined engineering and architectural design firms.

Mr. Triffo holds a degree in Civil Engineering from the University of Manitoba, and a Master of Science in Engineering from the University of Illinois. He has pursued studies in economic theory and policy, as well as business management at Montreal's Concordia University and the Banff School of Advanced Management.

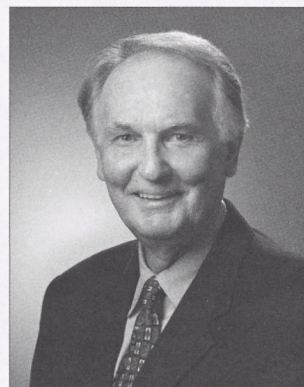

His professional career began with the public sector, where he held increasingly responsible senior operating, research and policy positions. He entered the private consulting field in 1974 and joined Stantec in 1977. He was appointed President in 1983, Chairman of the Board in 1998, and retired in 2011.

He currently serves as Chair of Alberta Innovates – Technology Futures and is a Director of TELUS Corporation. Mr. Triffo has served as past chair of the Alberta Ingenuity Fund, ATB Financial and the Alberta Economic Development Authority.

His volunteer service includes the Board of Alberta's Promise, the Strategy Council of the Mazankowski Alberta Heart Institute, and the Board of Governors of Junior Achievement of Northern Alberta. A past member of the Board of Governors of the Northern Alberta Institute of Technology and the Business Advisory Council of the University of Alberta, he has also served on the Council of the Edmonton Chamber of Commerce and the United Way Cabinet.

Honored as Alberta Venture magazine's inaugural Business Person of the Year in 2007, he is a member of the Alberta Business Hall of Fame and a recipient of the Alberta Centennial Metal. A Fellow of the Canadian Academy of Engineering, he has also received the APEGGA Centennial Leadership Award and the Lieutenant Governor's Award for Distinguished Achievement from the Consulting Engineers of Alberta.

Ron Triffo is widely respected for his personal integrity, exceptional leadership and exemplary commitment to the social and economic prosperity of our community and our province.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Ron Triffo:

John Imison. *The School of Arts; or, an Introduction to Useful Knowledge: Being a Compilation of Real Experiments and Improvements, in Several Pleasing Branches of Science...* London: J. Murray and S. Highley, 1796.

John Imison, a pioneer machinist and engineer, writes in his preface that manifold subjects are the focus of his book: "The particular branches of science which I have endeavoured to explain, are those of Mechanical Powers, Electricity, Pneumatics, Hydrostatics and Hydraulics, Optics, and Astronomy; a treatise on Clock-making, the nature, use, and construction of the Barometer, and the construction of optical and many philosophical instruments". This copy is bound in full sheep and has 24 engraved illustrations, including a folding engraved frontispiece of mechanical machinery.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia.

Honorary Degree Recipient

CONGRATULATIONS

Joe Schlesinger

Joe Schlesinger is a veteran Canadian journalist who for four decades has reported for CBC Television News from every corner of the world. A compassionate and articulate chronicler of the human condition, he is widely respected for work that elevated pure journalism to an art form.

He started his journalistic career in 1948 in the Prague bureau of the Associated Press. When the communists took over in Czechoslovakia, he fled across the Iron Curtain to Austria and, in 1950, came to Canada.

In 1951, he enrolled at the University of British Columbia. He then worked as a reporter for the *Vancouver Province* and the *Toronto Star*, as an editor at the UPI bureau in London, England, and at the European Herald Tribune in Paris.

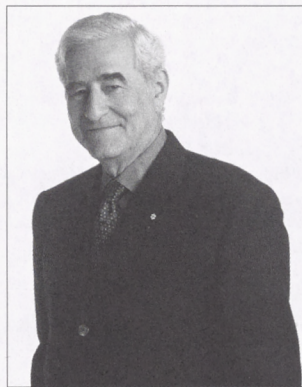

In 1966, he returned to Canada and joined the CBC in Toronto. He served both as executive producer of *The National* and head of CBC TV News.

In 1970, he went overseas as the CBC's Far East correspondent based in Hong Kong, and then on to postings in Paris, Washington and Berlin.

Mr. Schlesinger reported on wars in Vietnam, India and Pakistan, Nicaragua and El Salvador, the Israeli-Arab conflict, the Soviet invasion of Afghanistan, earthquakes in Italy, Iran and Romania, revolutions in Portugal and Iran, and Mao Zedong's Cultural Revolution in China. After covering the Gulf War in 1991, he came back to Canada as the CBC's Chief Political Correspondent in Ottawa. Since retiring in 1994, he has contributed documentaries and other reports to CBC programs.

He has received four Gemini Awards, the John Drainie Award for Distinguished Contribution to Canadian Broadcasting and a Hot Doc Award for Documentary Writing. A member of the Order of Canada, he has also received a Lifetime Achievement Award from the Canadian Journalism Foundation.

Joe Schlesinger believes that knowing more makes us better citizens. His intensely humanistic and intellectual curiosity about the world leaves a legacy of outstanding public service to Canadians.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Joe Schlesinger:

Mark Twain. *Mark Twain's Sketches, New and Old*. Hartford and Chicago: The American Publishing Company, 1875.

*Samuel Langhorne Clemens (1835–1910), better known by his literary name Mark Twain, is highly regarded as a major American novelist but he is also remembered for his skills as a journalist. The dozens of sketches in *Sketches, New and Old* are wonderfully entertaining and include pieces about the profession of journalism, the workings of government, science, travel, and a petition concerning copyright, among other fascinating topics. This copy is elegantly bound in full blue morocco with gilt decorations and titling on the spine.*

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia.

Honorary Degree Recipient

CONGRATULATIONS

Palagummi Sainath

Palagummi Sainath is a writer, photographer and investigative journalist whose work has focused the world's attention on issues of poverty and injustice. Rural Affairs Editor of *The Hindu* since 2004, he is the 2007 winner of the Ramon Magsaysay Award, Asia's most prestigious prize for Journalism, Literature and Creative Communication Arts.

He earned a Bachelor of Arts in History from Loyola College in Madras and a Master of Arts in History from Jawaharlal Nehru University in New Delhi. After working at the *United News of India*, *The Daily* and the Blitz group of publications in Mumbai, he freelanced for a decade before beginning at *The Hindu*.

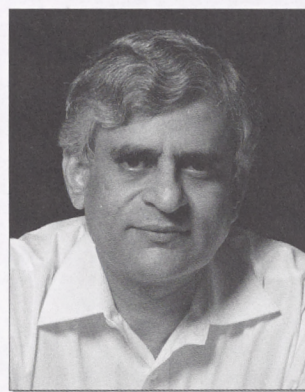

Palagummi Sainath spends hundreds of days each year in some of India's poorest villages, always taking his own photographs. An exhibit of his photographs entitled *Visible Work, Invisible Women: Women & Work in Rural India* has been seen by well over half a million people across India in venues such as school cafeterias and railway stations. His pictures focus on human dignity, placing women's labour at the centre of a rural family's survival strategies.

His reports on hunger, distress, migrations and suicides in rural communities have sparked intense debate on national economic and social development strategies. His 1996 book *Everybody Loves a Good Drought* was published in multiple editions in several languages.

A lecturer at universities worldwide who has taught journalism at the Asian College of Journalism, Chennai and the Sophia Polytechnic in Mumbai for many years, Mr. Sainath is also actively involved in the training of journalists in the poorest regions of India's countryside.

He has received more than 35 national and international awards, including the Harry Chapin Media Award, the European Commission's Lorenzo Natali Prize for Journalism and Amnesty International's inaugural Global Human Rights Journalism Prize.

Palagummi Sainath believes that journalism is an instrument of change. He is an inspiring example of how one person's passionate pursuit of individual truth serves to illuminate an entire society and to inform a global community.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Palagummi Sainath:

[Album of original photographs of India]. N.p.: n.p., [ca. 1900].

This splendid album of original black and white and sepia-tone images of India contains 47 vintage photographs. Historians, photography enthusiasts, and anyone interested in India will find this album a fascinating visual experience. The photographer(s) were clearly interested in capturing a rural way of life that has remained unchanged for centuries. Together they reveal a richly evocative portrait of India around the turn of the century: views of architectural landmarks, villages, and numerous agrarian scenes.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Louise Hayes

Louise Hayes' career has kept her finger on the pulse of Canadian politics and her heart with Canada's Aboriginal peoples. In the 1970s, Ms. Hayes held executive positions with several Aboriginal organizations in Ottawa and Vancouver and with various members of parliament and cabinet ministers. Among her many accomplishments was the establishment of the Emergency Repair Program and the Rural and Native Housing Program to assist low income and Aboriginal families in small and remote communities across the country.

During the 1980s, her work with organizations such as the Métis Nation of Alberta Association, the Business Assistance for Native Albertans Corporation (BANAC) and the Native Business Summit helped to build community capacity through education and economic development.

In the 1990s, she worked with the Commissioner of Services for Children and Families where she served as liaison to the Aboriginal community to help review and reform services for children and families in Alberta. She also worked with the federal government in the office of the Right Honourable Joe Clark during the Charlottetown and Meech Lake Accords.

Ms. Hayes currently works for Alberta Aboriginal Relations. Her central role is to be a liaison to ensure Aboriginal perspectives and issues are represented across different ministries, and to engage Aboriginal leaders and organizations in the development of government policies and programs.

She is a tireless volunteer who currently chairs the Edmonton Public Schools Foundation and serves on the board of Big Brothers Big Sisters Edmonton as well as the Chief's Advisory Council with the Edmonton Police Service. A former member of the University of Alberta Senate and Board of Governors, she retains her close connections with many athletics programs and university committees including the Council on Aboriginal Initiatives.

An outspoken advocate who is known for her generosity of spirit, Louise Hayes is deeply devoted to a life of public service and a vision of Canada's future that includes the full and meaningful participation of every Canadian.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms. Louise Hayes:

*E. Pauline Johnson. **The White Wampum: Tekahionwake.** Toronto: Copp Clark, 1895.*

This lovely book of poems by celebrated Mohawk author Pauline Johnson (1861–1913) is considered the first work published by a Native American woman in Canada. In the preface, Johnson explains that wampums are as meaningful to her people as songs are to the poet, that both are “fraught alike with the corresponding message of peace, the breathing of tradition, the value of more than coin, and the seal of fellowship”. This first edition copy features a handsome brown cloth binding with a tomahawk design, deckle edges, and gold lettering on the spine.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Order of Ceremonies, June 9

AFTERNOON CEREMONY, 3:00 PM

Presiding

The Chancellor

Linda J. Hughes, LLD (Hon)

Musical Prelude

Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME.

Vocal accompaniment is by Mark Wilkinson, a graduate student in the Department of Music. Please remain seated during the prelude.

Ceremonial Procession

Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party.

Members of the procession enter the auditorium in the following order:

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Concluding Remarks

Dr. Linda J. Hughes

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

University of Alberta Medicine Graduation Oath

Eminent Chancellor and President, I present to you the graduates of the Doctor of Medicine degree and ask them to declare the Graduation Oath.

(the MD graduates reply):

I do hereby swear this oath before my friends, colleagues and family.

I will endeavour to provide the highest quality of care for my patients.

I will provide information enabling my patients to make decisions and recognize their right to accept or refuse medical treatment according to their own values.

I will never exploit my relationship with my patients and their families, and I will treat them with dignity and respect.

I will protect the privacy of my patients.

I will interact in a considerate manner with others providing patient care.

I will not tolerate discrimination.

I will not engage in medical care which I feel is unethical.

I will henceforth remain a student, that I may expand and refine my knowledge, skills and attitudes.

I will recognize my limitations and seek aid when my expertise falls short of my patients' needs.

I make these promises solemnly, freely and upon my honor in the noble traditions of the Art of Medicine.

Dentistry and Dental Hygiene

Chair, Department of Dentistry

University of Alberta Dentistry and Dental Hygiene Graduation Oath

Eminent Chancellor and President, I present to you the graduates of the Doctor of Dental Surgery and Dental Hygiene programs and ask them to declare the Graduation Oath.

(The Graduates reply:)

This oath I take upon my honor having been admitted to the professions of Dentistry or Dental Hygiene, before this assembly, in accordance with the tradition of Hippocrates.

I will use my professional knowledge and skills in service to human health by:

Promoting health and healing and reducing suffering to enhance the well being of those entrusted to my professional care.

Acting responsibly to gain understanding of patients' needs, maintain ethical confidentiality and provide respectful and informed counsel and care.

Willingly sharing the art and science of my profession supported by a commitment to lifelong professional learning.

Committing myself to the development of my professional skills to the perpetual objective of providing excellence of service to patients.

Honoring the tenets associated with my profession.

Congratulatory Remarks

Concluding Remarks

Dr. Linda J. Hughes

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia.

Honorary Degree Recipient

CONGRATULATIONS

Austin Mardon

Austin Mardon is an inspiring advocate for the mentally ill who has worked tirelessly to eliminate the stigma associated with psychiatric disorders.

He earned a Bachelors degree in geography from the University of Lethbridge, an MSc in geography from South Dakota State University and a Masters in Educational Curriculum and Instruction from Texas A&M University. Despite being diagnosed with schizophrenia in 1992, he entered a distance learning PhD program in geography through Greenwich University in Australia in 1993, and received his doctoral degree in 2000.

A member of a NASA/NSF Antarctic meteorite field expedition in 1986-87, he has published several dozen books and authored 221 articles and abstracts in areas as diverse as astronomy, history and Antarctic research.

He has also served as trustee on the Edmonton Public Library Board, board member of the Schizophrenia Society of Alberta, vice-chair on the Alberta Disabilities Forum Steering Committee and chair of the Champion's Centre Edmonton Advisory Committee. As chair of the Alberta Disabilities Forum Low-Income Working Group, he led a coalition of 36 disability groups advocating for reform of Alberta's Assured Income for the Severely Handicapped (AISH). As a member of the Premier's Council on the Status of Persons with Disabilities, he continues to have a major impact on policy direction and public perception.

For those involved in the field of mental illness across Canada, Dr. Mardon stands alone in his ability and willingness to convey the experiences and needs of a silent majority living with mental illness or other disabling circumstances. His list of honours includes the Alberta Centennial Medal, the U. S Antarctic Service Medal, the Flag of Hope Award from the Schizophrenia Society of Canada and the Governor General's Caring Canadian Award.

He is a member of the Order of Canada and a recipient of the CM Hincks Award, the highest award given by the Canadian Mental Health Association.

Austin Mardon's outstanding record of public service reflects an extraordinary balance of empathy, intelligence and determination. His life and work are a triumph of the human spirit.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr. Austin Mardon:

Nicole Morelle. **Dernier Iceberg** [art original]. N.p.: [Nicole Morelle], 1991.

By their very nature, artists' books challenge our notions of what a book should look like. Dernier Iceberg looks like a book from the outside—except that the covers and spine are painted white to block out any text or imagery—but when the book is opened we see that the text block has been altered to produce a multi-leveled iceberg with dozens of little penguins crowded together along the various platforms. This ice-themed one-of-a-kind book invites viewers to experience the metaphoric possibilities of books as artistic structures.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Lieutenant Governor of Alberta

Salute to the Lieutenant Governor

When the Ceremonial Procession has reached the stage, a musical salute will be played in honor of the Lieutenant Governor. The Vice-Regal Salute is composed of the first six bars of the Royal Anthem, followed by a short version (the first four and last four bars) of the National Anthem. At the conclusion of the Vice-Regal Salute, the vocalist will lead the assembly in singing the National Anthem.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Honorary Degree Recipient

CONGRATULATIONS

Bunny Ferguson

Bunny Ferguson is a passionate advocate for community-university engagement who is widely respected for her energy, intellect and commitment to excellence in service to society.

As founding director of the Canadian Centre for Social Entrepreneurship at the Alberta School of Business, she was instrumental in recruiting board members and faculty to develop a mandate to support social innovation through entrepreneurial activity. Working in partnership with Dr. Gary McPherson, she championed relationships and synergies between business students, the academy and charitable organizations.

Social entrepreneurs have been described as transformative individuals – people with innovative ideas who relentlessly pursue a vision until they achieve success. Bunny Ferguson exemplifies that style.

As founding chair of the Alberta Business Family Institute (ABFI), she was one of the first individuals to recognize the need to study the dynamics of family businesses. Noting that there are thousands of such businesses throughout urban and rural Alberta, she encouraged the institute to focus on smaller family enterprises and the challenging issues of succession planning. New research is changing public perceptions regarding the significant role of family businesses in Canada's economic future.

Equally committed to the importance of healthy lifestyles and outstanding health services, she is currently a member of the Capital Campaign committee for the Stollery Children's Hospital and a director on the Norlien Foundation. She has also served as vice-chair of the Lois Hole Hospital for Women campaign, director on the founding bid committee for the 2001 World Track and Field Championships (IAAF) and president of the Canadian Cancer Society. An honorary member of the Alberta College of Pharmacists, she received the Alberta Pharmacy Centennial Award of Distinction in 2011.

Her exemplary volunteer leadership of numerous charitable causes and educational initiatives has encouraged intellectual, cultural and social innovation, earning her a place in the City of Edmonton Community Service Hall of Fame.

A recipient of the Alberta Centennial Medal and a member of the Order of Canada, Bunny Ferguson is a compassionate and articulate ambassador for the highest ideals of Canadian citizenship.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Ms. Bunny Ferguson:

Edmonton: the Capital City of Alberta.
[Edmonton?]: Wilson Stationery Co., [ca. 1913].

This splendid album has 35 black-and-white captioned photographs of Edmonton in the early days of the twentieth century. Through the lens of a camera we journey into Edmonton's past and revisit many familiar landmarks and locations. Additional photographs illustrate important architectural landmarks that defined Edmonton as a prosperous and growing city but have since been demolished. These early photographs are a wonderful pictorial record of Edmonton's early evolution and expansion as the vibrant capital of the Province of Alberta.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia.

Honorary Degree Recipient

CONGRATULATIONS

John Chin Sung Lau

John Chin Sung Lau led one of the most impressive turnarounds in Canadian business history. He was appointed Chief Executive Officer of Husky Oil (now Husky Energy Inc.) in 1993.

Under his leadership, the company became one of Canada's leading integrated oil and natural gas companies. Mr. Lau stepped down as Chief Executive Officer of Husky Energy Inc. after 18 years in the position.

In May 2010, Mr. Lau was appointed by the board as President and Chief Executive Officer of Husky Asia Pacific. He is responsible for leading the development of the company's oil and natural gas businesses in the Asia Pacific region, including existing businesses in Indonesia and the South China Sea.

Prior to joining Husky, Mr. Lau served in various senior executive roles in Cheung Kong (Holdings) Limited and Hutchison Whampoa Limited group of companies.

He holds a Bachelor of Economics degree and a Bachelor of Commerce degree from the University of Queensland, Australia. He is a Fellow member of the Institute of Chartered Accountants in Australia.

While in Canada he has served as a board member of the Alberta Economic Development Authority, and a member of the Board of Governors of the University of Calgary and the Canadian Association of Petroleum Producers. Named an Honorary Chief by four different Aboriginal communities, he has been recognized for commitments to economic development for Canada's First Nations as well as significant contributions to advanced education, including a Champion of Public Education in Canada award from the Learning Partnership.

A recipient of the Queen's Golden Jubilee Medal, the Alberta Centennial Medal and the Centennial Award Medal and Distinguished Service Award from the Province of Saskatchewan, Mr. Lau was ranked 30 on a list of the world's top CEOs published by the Harvard Business Review in 2009.

A prominent leader in the Alberta business community for close to 20 years, Mr. Lau's outstanding business acumen is balanced by an equally compelling sense of civic duty.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. John Chin Sung Lau:

*Norman Tate. **Du pétrole et de ses dérivés.** Paris, 1864.*

This important book is one of the earliest works on the history of oil and its commercial value. This copy is beautifully bound in half blue morocco with marbled boards and the title is lettered in gold on the spine. It also features a splendid folding frontispiece with an illustration of the first oil field in the United States at Venango, Pennsylvania. Only a few libraries around the world own a copy of this scarce book.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Honorary Degree Recipient

CONGRATULATIONS

Karen Anne Luker

Karen Anne Luker is the Dean of the School of Nursing, Midwifery and Social Work at the University of Manchester. She is internationally recognized as a pioneer in advancing academic nursing.

Dr. Luker's innovative research program on cancer survivorship has led to the design of new services for people affected by cancer. Working in partnership with patients and families, she has explored areas such as the issues involved in returning to work, the ongoing needs of people with rarer cancers and the needs of caregivers in providing end of life care at home.

She received a Bachelor of Nursing degree from the University of Manchester. A Registered General Nurse and Registered Health Visitor who holds a National District Nursing Certificate, she earned her PhD from the University of Edinburgh in 1980.

Dr. Luker has played a significant role in research capacity building and guiding the nursing profession to develop discipline standards for excellence. Under her leadership, Manchester has become the pre-eminent research school of nursing in Europe.

In the United Kingdom, she has served on the MRC Public Health and Health Services Research Advisory Board and as expert advisor to the Committee on Safety of Medicines/Medicines Control Agency with respect to nurse prescribing. An influential contributor to health policy, she is also a member of the UK Research Integrity Panel chaired by Sir Ian Kennedy.

Founding editor of *Health and Social Care in the Community*, rated in the top ten journals for social work in the world, Dr. Luker has served on review panels for the Swedish, Finnish and Norwegian Medical/Health Research Councils. She has held visiting professorships in a number of universities in North America, Asia, Australia and New Zealand. She also initiated groundbreaking work developing training programs for lay health workers in South Africa.

An elected Fellow of the Academy of Medical Sciences, the European Academy of Nursing Science and the Queen's Nursing Institute, Karen Anne Luker is an inspirational mentor to nursing educators around the world.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr. Karen Anne Luker:

*Mary Seacole. **Wonderful Adventures of Mrs. Seacole in Many Lands.** London: James Blackwood, 1857.*

This fascinating autobiography of Mary Seacole (1805–1881) documents her life as a Jamaican nurse in the Crimean War (1853–1856). She worked tirelessly to treat British soldiers in the Crimean port city of Balaclava, where she pioneered effective nursing practices that earned her significant respect among the troops. This scarce first edition copy features a splendid pullout frontispiece of Seacole's famous hotel where she cared for the sick and injured.

Honorary Degree Recipient

CONGRATULATIONS

Charlie Kokotok Evalik

Charlie Kakotok Evalik champions a transformative vision of self-reliance for Canada's North. A central contributor to the settlement of the Nunavut Land Claims Agreement and the creation of the new territory of Nunavut, he is President of the Kitikmeot Inuit Association (KIA) and Chair and CEO of the Nunavut Resources Corporation.

Born on the land in the western part of the territory now called Nunavut, Mr. Evalik was raised by his parents in a traditional Inuit manner, travelling extensively by boat and dog sled throughout the central and western arctic. When he was old enough, he was sent to Stringer Hall in Inuvik to begin his schooling. He completed Grade 12 in Yellowknife, NWT, and returned home to Cambridge Bay where most of his family had settled.

Early in his career, Charlie recognized the deeply negative impacts that unemployment and dependency have on community spirit. He also recognized the important role that meaningful work, economic opportunity and a sense of autonomy have in improving a community's material and emotional condition.

As KIA President, Mr. Evalik has been instrumental in helping direct the two economic-development subsidiaries of the KIA, the Kitikmeot Corporation (KC) and the Kitikmeot Economic Development Commission (KEDC), which manage contracts in the mining, transportation, construction, communications and health sectors. His work with the Nunavut Resources Corporation has offered new opportunities to foster direct and indirect Inuit equity investment into resource development projects.

One of his central goals is to transform the dividends of successful economic development into social capital by supporting programs important to Inuit, such as language preservation, music, traditional harvesting and cultural activities, education and training. In this way, economic self-sufficiency will be underpinned by a strong, vibrant culture and a healthy, productive natural environment capable of supporting Inuit traditional practices.

A widely respected leader and ambassador for the Inuit of western Nunavut, Mr. Evalik demonstrates exceptional energy and dedication to the Kitikmeot region and to the communities of Canada's North.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Mr. Charlie Kokotok Evalik:

Jean Blodgett. *Kenojuak: Graphic Masterworks of the Inuit*. Toronto: Mintmark Press, 1981.

Kenojuak Ashevak (1927–) is widely regarded as one of the most important contemporary Inuit artists for her prodigious contributions to Inuit culture. Her drawings on paper have a unique graphic quality that is highly sought after by cultural institutions and collectors. This sumptuous limited edition brings together Jean Blodgett's introduction to Kenojuak's career and 174 coloured prints of her finest works; it also includes a hand-coloured signed etching of an owl and woman entitled "Myself and I".

Order of Ceremonies, June 15

AFTERNOON CEREMONY, 3:00 PM

Presiding

The Chancellor

Linda J. Hughes, LLD (Hon)

Musical Prelude

Music is provided by the University of Alberta Convocation Band under the direction of Dr. Thomas Dust, BSc, BEd, MM, DME.

Vocal accompaniment is by Mark Wilkinson, a graduate student in the Department of Music. Please remain seated during the prelude.

Ceremonial Procession

Following the University of Alberta Cheer Song, the band will play a drum roll and the opening bars of the processional to signal the arrival of the Chancellor and other members of the Platform Party.

Members of the procession enter the auditorium in the following order:

Chief Marshal and Mace Bearer

Marshals

Chancellor

Chair of the Board of Governors

President and Vice-Chancellor

Government Minister

Vice-Presidents

Honorary Graduand and Presenter

Honorary Doctors of the University

Alumni Association Officer

Deans of the Faculties

Registrar

Assistant Registrar

Members of the Judiciary

Governors of the University

Senators of the University

Representatives of Governments

Representatives of Postsecondary Institutions

Faculty of the University

National Anthem

O Canada! Our home and native land!

True patriot love in all thy sons command.

Car ton bras sait porter l'épée, (With glowing hearts we see thee rise)

Il sait porter la croix! (The True North strong and free)

Ton histoire est une épopée (From far and wide, O Canada)

Des plus brillants exploits. (We stand on guard for thee)

God keep our land glorious and free!

O Canada! We stand on guard for thee.

O Canada! We stand on guard for thee.

Invocation

Concluding Remarks

Dr. Linda J. Hughes

Recession

Members of the audience are requested to remain at their places until the Platform Party and the graduates have recessed.

Those graduates who would like a photograph with the Chancellor may meet her in the east end of the main floor foyer by the Special Collections display. The Chancellor will be available for approximately twenty minutes following the conclusion of the ceremony.

Commemorative Videos of your Convocation Ceremony are available for purchase on DVD; please go to www.registrar.ualberta.ca/memorabilia.

Honorary Degree Recipient

CONGRATULATIONS

Efim Zelmanov

Efim Zelmanov, Professor of Mathematics at the University of California, San Diego, is one of only 48 individuals to be honoured with a Fields Medal, considered the Nobel Prize of mathematics. He is widely regarded as one of the great algebraists of the 20th century and one of the best mathematicians in the world.

Born and educated in the former Soviet Union, he earned undergraduate, masters and doctoral degrees in mathematics at Novosibirsk University, continuing on to earn a second PhD at Leningrad University in 1985. He left the Soviet Union and moved to the United States in 1990, accepting a series of appointments as professor at the University of Wisconsin-Madison, the University of Chicago and Yale University.

Dr. Zelmanov is best known for his solution of the Restricted Burnside Problem in 1991, a fundamental problem in group theory that had remained unsolved for many decades. Group theory deals with symmetries and their multiple applications to other areas of mathematics as well as the natural sciences. Groups encode key information related to transformations in physics and engineering, and one of the central goals of modern mathematics has been to understand their structure. Using new and powerful techniques from other areas of algebra, Dr. Zelmanov's solution ranks as one of the major mathematical achievements of the century.

In 2001, he became the youngest member to be elected to the mathematics division of the National Academy of Sciences in the United States. He is also a member of the American Academy of Arts and Sciences, and a foreign member of both the Korean Academy of Science and the Royal Academy of Spain.

In the last five years, he has served on the editorial boards of ten major mathematical journals as well as the advisory boards of the Pacific Math Institute, the Fields Institute and the American Institute of Math.

An inspiring researcher and teacher, Efim Zelmanov demonstrates remarkable determination and dedication to the pursuit of knowledge.

The University of Alberta Senate is donating the following volume to the Bruce Peel Special Collections Library to commemorate the awarding of an honorary degree to Dr. Efim Zelmanov:

Julie Chen. A Guide to Higher Learning. California: Flying Fish Press, 2009.

This beautifully produced artist's book pays homage to mathematics for its organic qualities and the ways that numbers form "surprising and unexplained patterns". In order to read the book, the reader must lift the assembly from the box, roll the overlapping squares outward from their central positions, and continue unfolding the square pages clockwise through to page 12. Only 100 copies of A Guide to Higher Learning were made; this copy is 43.

Congratulations Graduates

The list of candidates for degrees, certificates, and diplomas appearing herein is subject to such corrections, with respect to additions, deletions, and changes, as may be necessary. The information as presented is current as of the program printing deadline. Graduates attending the ceremony are presented to the Chancellor alphabetically. The winner of the most prestigious award in each faculty, if attending, is presented first.

Welcome to the Alumni Association

Congratulations! When you earn a University of Alberta degree you automatically become a member of the Alumni Association. Your Alumni Association works to keep you involved with the University and to provide you with benefits such as:

- **Invitations to Social Events**
- **Volunteer and Travel Opportunities**
- **Discounts on essentials including auto, home and life insurance to save you money**
- **Free Subscription to the Alumni Magazine**
- **Career Advice and Support**
- **Networking Opportunities**
- **Seminars and Educational Opportunities**

To access these benefits, please **keep your address updated**. If you are relocating, make sure the Alumni Association has your current address.

Just e-mail alumrec@ualberta.ca or call the Office of Alumni Affairs at 780.492.3224.

As a graduate of the University of Alberta you
Office of Alumni Affairs
Main Floor, Enterprise Square
10230 Jasper Avenue
Edmonton AB T5J 4P6
www.ualberta.ca/alumni
780.492.3224 or toll-free at 1.800.661.2593

should be proud. You have joined the ranks of more than 275,000 U of A alumni, many of whom have made remarkable contributions to the world.

In keeping with that tradition, your Alumni Association encourages you to bring honour to your University through your accomplishments, to celebrate the achievements of U of A grads and your University, and to stay involved with your alma mater.

We also encourage you to participate in alumni programs. To learn more, visit our website at www.ualberta.ca/alumni and find out how to:

- **Connect Electronically** – Join us on Twitter, check out the Alumni Facebook page, and sign up for e-newsletters.
- **Have Fun and Relax** – Meet and mingle with other grads at an Alumni Shindig after work.
- **Keep Learning** – Attend any of our *Educated* programs. We offer lectures from the U of A's most interesting researchers, as well as events discussing food, wine and other lifestyle necessities.
- **Travel** – Join other grads and see the world.
- **Save Money** – Get better auto, home and life insurance rates.
- **Network** – Join an Alumni Chapter in Edmonton or an Alumni Branch in one of more than 50 cities around the world.
- **Read *New Trail* and *e-trail*** – Keep up to date on the latest news about your alma mater, alumni, events and your fellow grads.

Academic Dress

All undergraduate and master's degree gowns are the customary Cambridge shape, i.e., a gown of black material falling below the knee with full sleeves cut to the elbow and terminating in a point.

Hoods are made in the Oxford pattern of spruce green material. The Bachelor's hood has a border three inches wide of the color distinctive of the Faculty as noted below. The Masters' hood has a full lining of the color distinctive of the Faculty also noted below. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Doctorate Degrees

'Doctors' gowns (PhD, DMus, and EdD) conform to the Intercollegiate Code in design. They are made of black material and the velvet trim on the sleeves is Philosophy Blue for the PhD and DMus, and Education Light Blue for the EdD. Doctors' hoods conform to the Intercollegiate Code in shape, size, and color. They are made of black material to match the gown, and have a full lining of gold satin with a six-inch green satin chevron. The velvet trim distinguishes the two degrees and

matches the velvet trim on the gown's sleeves. There is a narrow green piping where the gold lining joins the black material. Mortarboards are the standard black trencher shape with black tassels, which are worn forward and to the left.

Honorary Doctorates

Honorary Doctors of Laws (LLD), Letters (DLitt), and Science (DSc) wear a scarlet robe faced with white silk. Hoods are made in the Cambridge form of scarlet silk with a full lining of white silk. Caps are black velvet with a gold tassel.

If you can, please share this program with a companion.
Then, if you do not take it home, please leave it (in good
repair) on the table by the doors as you exit. This will help
us ensure that someone else can use it on another day of
Convocation, and subsequently conserve paper.
Thank you for your assistance.
